At the end of January, at team meetings, teachers will utilize a spreadsheet to recommend students and review course recommendations. This information will be given to the high school assistant principal in charge of scheduling and AIS. A copy will also be given to the building principal and the Director of Careers and Student Services.

In March, course verifications will be posted on the Infinite Campus Parent Portal which will include initial recommendations.

In August, the high school will generate letters to parents to inform them that their students will be receiving AIS services in the fall.
